

⚙️ **EN Series seating has full compliance to BS EN1729 parts 1 & 2 with a heavy duty seat/frame interface.**

The innovative contoured outer ribs maximise the shell strength, with a curved 'waterfall' front which ensures comfort and prevents loss of circulation in the legs. The chairs feature a curved seat profile to aid comfort and movement with exceptional ergonomics, support is provided to the lower back flexing naturally with the user's movement.

Features:

- 15 year warranty \ 5 year on IT chair
- EN1729 compliant parts 1 and 2
- contoured outer ribbing for additional strength
- tamperproof fixings secure the shell to the frame
- the Ergonomics of the EN classic provides an ideal seating position
- easy carry hole
- made to order
